Safety Instructions:

- Maximum load: 110 kg. The safety of the structure may be impaired if this is exceeded.
- Not suitable for children under 3 years of age due to possible risk of injury.
- Protect the chair outdoors from direct sunlight and extreme weather conditions to avoid material changes.
- Only use the chair in accordance with the instructions provided to ensure safety and durability.
- Pay attention to stability when stacking to avoid tipping over; avoid stacking in moving areas.
- Check plastic glides regularly for wear and tear to avoid the risk of slipping and damage to floors.
- Avoid sitting on stacked chairs.
- Ensure that assembly is carried out in accordance with the instructions to ensure correct assembly.
- Suitable for indoor and outdoor use, taking into account unpredictable weather conditions.
- Use suitable pH-neutral cleaning agents for cleaning to avoid damaging the material.
- Ensure that the chair is placed on stable, level surfaces to prevent it from tipping over.
- Keep the chair away from open flames or extreme heat sources to prevent material damage.
- Regularly check the integrity of the frame and seat for cracks or other damage.
- Ensure that the chair is not used as a toy or climbing device by children.
