Please note the technical data of the products!

Article Numbers: 195254, 195253, 195249, 195248, 195247

Safety Instructions:

- Be careful not to put too much weight on the planter to prevent it from tipping over and make sure it is placed on level ground.
- Avoid prolonged exposure to excessive sunlight and protect the planter from direct sunlight to prevent damage, discolouration or weakening of the material.
- Make sure that the planter is protected in frost conditions and extreme cold, even if it is UV-resistant, to prevent material damage.
- We recommend keeping the planter out of the reach of children; it is not suitable for children, especially infants and small children under 3 years of age, as there is a risk of suffocation from small parts.
- Do not bring into contact with sharp objects to avoid scratches and cracks in the material.
- Avoid direct contact with fire or strong heat sources. Keep the planter away from hot surfaces and naked flames to prevent damage.
- Check the condition of the product regularly to detect cracks or damage.
- When storing outdoors, protect from extreme weather conditions to prevent negative effects on material integrity.
- Not suitable for transporting heavy loads without appropriate support.
- May break if handled incorrectly or used heavily, parts may have sharp edges, so use with care.
- Not suitable for use in direct contact with food.
