Safety Instructions:

- Keep label rolls out of the reach of small children, risk of suffocation from small parts.
- Avoid contact with water or damp environments to prevent loss of adhesion.
- Not suitable for direct contact with food.
- Use the product labels in accordance with the manufacturer's instructions for the Brother VC-500W to prevent damage to the device.
- Do not store near heat sources or in direct sunlight to avoid discolouration.
- Not suitable for children under 3 years of age as it contains parts that can be swallowed.
- Use the labels on a stable surface to prevent them from slipping.
- Store the label rolls in a cool, dry place to maintain their quality.
- Read the operating instructions carefully before use.
