Please note the technical data of the products!

Article Number: 883022

Safety Instructions:

- Check the mobile pedestal regularly for stability to prevent it from tipping over.
- Make sure that a pull-out stop is effective when opening several drawers at the same time.
- Avoid moving the mobile pedestal over uneven surfaces or slopes.
- Secure the contents of the container with the central locking system to prevent unauthorised opening.
- Keep the mobile pedestal away from moisture and direct heat sources to prevent material damage.
