Safety Instructions:

- Do not exceed the maximum load capacity of 300 kg
- Avoid using the castors on flat and stable surfaces
- Avoid the risk of collision with moving parts during use
- Do not overload the transport trolley to avoid the risk of tipping or breakage
- Ensure that the cargo bed is always well filled to ensure stability
- Injuries can occur if used incorrectly
- Improper use can lead to vehicle damage
- Take care when loading to avoid overloading
- Check the product for visible damage before use
- Use by children without supervision is not recommended
- Be careful when using on slippery or uneven surfaces
- For safe use, ensure that all castors are properly fitted
