Safety Instructions:

- Beware of finger injuries when operating the document shredder.
- Keep the document shredder away from a power source and water during operation.
- Do not use the document shredder for materials that are not suitable for the shredder, such as plastic bags or large quantities of cardboard.
- Please ensure that the document shredder is not overloaded; the maximum cutting capacity is 10 sheets.
- Make sure that the document shredder is in a stable position to prevent it from tipping over.
- Ensure that there are no small parts near the appliance that could cause a choking hazard.
- Children may only use the appliance under the supervision of an adult.
