### **Safety Instructions:**

- The document shredder should only be used by adults or under adult supervision to avoid injury.
- Fingers should be kept away from the shredder opening during operation to avoid injury.
- Avoid placing hands or long, loose items of clothing near the appliance during operation.
- Ensure that the document shredder is placed on a stable, level surface to prevent it from tipping over.
- The document shredder must not be overloaded in order to minimise the risk of overheating or damage to the device.
- Please observe the user instructions to ensure safe use.
