Please note the technical data of the products!

Article Number: 157247

Safety Instructions:

- Not suitable for use by children. Keep the product out of the reach of children.
- Avoid contact with water and moisture, as this can impair the adhesive strength.
- The adhesive strength of the adhesive tape depends on the condition and cleanliness of the surface. Clean surfaces before use.
- Use the product only on recommended materials: tiles, plaster, wood and plastics.
- Do not attach any objects that are heavier than 5 kg or that could cause injury if they fall.
