Safety Instructions:

- Ensure that the barrier posts are set up and stabilised on stable and level surfaces to prevent them from tipping over.
- Do not exceed the maximum belt extension length of 9 m to ensure safe use.
- Do not climb over belts or use them as support.
- Regularly check the belts for wear and damage.
- Only use the product outdoors in suitable weather conditions.
- Do not use in extreme weather conditions or strong winds.
- Do not set up near traffic routes or heavily frequented areas to avoid collisions.
- Use by children or untrained persons only under supervision.
- Keep the product out of the reach of small children to avoid the risk of choking.
- Only use barrier posts in accordance with the manufacturer's instructions.
- Do not pull or drop over obstacles to avoid injury.
- Ensure sufficient visibility in the dark or in poor visibility conditions.
- Ensure that the barrier effect is not impaired by other objects.
- Use only for the intended purpose to ensure safety.
- Be aware of the risk of tripping over posts.
