Safety Instructions:

- Make sure that the table is stable to prevent it from wobbling or tipping over.
- Ensure that all parts of the table are firmly tightened and regularly check the height adjustment to ensure safe use.
- The maximum height of 840 mm should not be exceeded.
- Keep the table away from children to avoid injury.
- Avoid excessive strain on the table. Do not use it as a standing desk or to support body weight.
- The table should be used on firm and stable surfaces.
- In the event of defects or damage, contact the manufacturer and avoid using the device if it has not been installed correctly.
- Keep the table away from hot, sharp objects and aggressive chemicals to prevent damage.
- Assembly and use should be carried out in accordance with the enclosed instructions.
- Regularly check the surfaces for penetrating liquids or damage.
- Keep the area around the table free of obstructive objects and avoid excessive bumping or pulling of the table.
- Observe all locally applicable waste disposal regulations when disposing of the product.
