**Article Numbers:** 147187, 147186, 147185, 145892, 145891, 145890, 145872, 145871, 145870, 145862, 145861, 145860, 145852, 145851, 145850

### Safety Instructions:

- Please note: Instructions for height adjustment to avoid crushing or injury due to improper use.
- Make sure that the table is only used on level surfaces to ensure stability and safety.
- The table is not intended for outdoor use; protect it from the effects of weather such as moisture and direct sunlight to prevent material damage.
- Qualified specialists are required when assembling the table and connecting electrical devices in order to minimise safety risks.
- Keep electrical connections dry and install all connections properly to prevent electrical damage.
- Do not overload the table top and observe weight restrictions to ensure stability and prevent tipping.
- Only use the table in accordance with the manufacturer's instructions in order to avoid damage or accidents.
- Check regularly for damage and ensure that all connecting elements are securely fitted to ensure stability and safety.
- Remove sharp or pointed objects from the table surface and use mild cleaning agents to avoid damaging the table top.
- Keep small parts out of the reach of children to avoid the risk of choking.
- Assembly should be carried out in accordance with the instructions; it is intended for indoor use and is not suitable for children under 3 years of age.
