Safety Instructions:

- Ensure that the table is stable on a level surface to prevent it from tipping over.
- Lock the height adjustment properly to prevent accidents and the risk of falling.
- Take care not to use excessive force when extending or adjusting the table height to avoid damage and crushing.
- Keep the table away from sources of water, moisture and extreme temperatures to prevent damage to the decor and materials.
- Regularly check the stability and condition of the table. Make sure that all screws and connections are tight.
- Use the table only for its intended purpose and not for excessive loads to prevent damage, deformation or breakage.
- Observe the warning notices on the table and edge protection to avoid injuries.
- During assembly, ensure that all parts are correctly and firmly installed to guarantee safety.
- The product is not suitable for children under 3 years of age as it is a product for adults.
- Use the table safely in conjunction with other furniture to avoid injury.
- Protect the table top from scratches and improper use.
