### Safety Instructions:

- Make sure that the table is stable to prevent it from tipping over or wobbling.
- Ensure that the height adjustment is carried out correctly and stably and is only carried out by adults to avoid accidents.
- Avoid overloading the table and observe the load capacity according to the manufacturer's specifications to prevent structural damage.
- Keep electrical components and sockets dry and avoid water or other liquids in the vicinity to prevent electric shocks.
- Use the height adjustment and the table connection in accordance with the instructions to avoid damage or technical defects.
- Assembly and safety instructions should be read carefully and followed to ensure correct use.
- Clean the table surface regularly with non-abrasive or corrosive cleaning agents to prevent damage.
- The table is not suitable for children; ensure that children are supervised when using it.
- Keep edges and corners safe to avoid injury, especially around children.
- The table is not suitable for outdoor use and extreme temperatures.
