Safety Instructions:

- Suitable for commercial use only.
- Be careful with sharp edges and corners.
- Height adjustment only after instruction and under adult supervision.
- Observe the maximum load capacity and ensure safe standing to avoid injuries.
- Improper assembly can impair stability and safety.
- Risk of crushing when adjusting the height.
- Not suitable for children under 3 years due to small parts.
- Place the table securely on a stable floor to prevent it from tipping over.
- All users should ensure correct use in accordance with the instructions.
- Avoid product damage due to improper use.
- Lock the mechanism correctly when adjusting the height.
- Avoid sharp objects on the tabletop to prevent scratches.
- Protect the table top from extreme temperature fluctuations.
- Clean surfaces regularly with a damp cloth.
- Ensure installation by qualified personnel to guarantee safety.
- Table top made of melamine resin-coated chipboard may show scratches if not cared for properly.
- Height-adjustable frame can cause injuries if handled incorrectly.
- Carry out assembly according to the instructions to ensure stability.
- Only use the table for its intended purpose.
- Provide clear instructions and safety information.
- Product should be subjected to regular safety tests.
