Article Numbers: 147205, 145212, 145210, 145209, 145208

Safety Instructions:

- The table height can be adjusted between 720-840 mm. Proceed with caution when adjusting the height and ensure that the height adjustment is properly secured to avoid sudden height changes and injuries.
- The table is not suitable for children under 3 years of age due to the risk of injury from sharp edges and small parts that can be swallowed.
- Ensure that the table is placed on a stable, level surface to avoid the risk of it tipping over. Regularly check the stability of the table frame.
- Avoid aggressive cleaning agents, as these can damage the surface. Only use recommended cleaning agents for maintenance.
- Keep the table away from naked flames and extreme heat sources to prevent damage.
- Avoid placing heavy objects on the table and exerting excessive force to prevent tipping and damage. Take the maximum load capacity into account.
- Prevent small children from using the table to reduce potential injuries.
- The table should not be used for sitting or standing to avoid injury.
- When using the table and the height-adjustable parts, ensure safe handling and check them regularly for wear.
- Make sure that the table height is set correctly to ensure ergonomics.
- Please note the different side dimensions of 1000 mm and 800 mm.
