Safety Instructions:

- Ensure that the table is mounted stably and stands securely to prevent tipping and collapsing.
- Be careful when adjusting the height to avoid the risk of crushing.
- Check the table surface and edges regularly for damage to avoid injury.
- Ensure that surfaces are only cleaned with suitable disinfectants; test compatibility on a less visible area beforehand.
- Follow the foot care instructions to avoid damage.
- Suitable for commercial use, ensure all applicable regulations.
- Avoid improper handling to prevent damage to the table and safety-related problems.
- Stepless height adjustment should not be used unsupervised by children.
- The table is suitable for adults and children of a certain age; please note specific age restrictions.
- Keep the table away from sources of heat or naked flames.
- Only use the table for its intended purpose in order to avoid damage and hazards.
- Users should ensure that no unauthorised persons, especially children, have access to moving parts.
