Article Numbers: 147213, 145207, 145205, 145204, 145203

Safety Instructions:

- Before using disinfectants, test surfaces for compatibility in a less visible area.
- Cleaning should be carried out with suitable disinfectants.
- Ensure that the table is stable and secure to prevent it from falling over or causing injury.
- Set up the table in a stable position and use it on a stable, level surface without tilting to prevent it from tipping over or wobbling.
- Observe the load-bearing capacity of the table to avoid breakage or tipping over. Pay attention to the height and maximum load-bearing capacity during operation (e.g. height adjustment between 720 and 840 mm).
- Avoid placing heavy objects on the edge of the table.
- Ensure that no crushing injuries occur during height adjustment. Only adjust the height while standing and ensure safe handling.
- Children should be supervised while using the table. Not suitable for children under 3 years of age as it may contain small parts.
- Use the product only in accordance with the manufacturer's instructions and intended purpose to avoid the risk of injury from improper use.
- When using as a conference table, ensure stability and sufficient freedom of movement.
- Avoid scratches and knocks, as these can damage the surface.
