Safety Instructions:

- Choking hazard due to small parts. Not suitable for children under 3 years of age.
- Make sure that the table is stable to avoid tipping over or accidents. Check regularly for stability.
- Observe the maximum load capacity to avoid overloading or tipping over.
- Ensure correct height adjustment of the table, to be carried out by adults only. Risk of injury due to improper handling.
- Avoid electrical hazards. 6-way desktop connection panel may only be used by authorised persons and operated with compatible devices. Avoid overloading.
- Do not use sharp objects on the table surface to avoid scratches.
- Clean only with suitable, non-damaging cleaning agents.
- Protect the table top from liquids to prevent damage.
- The table should be checked regularly for signs of wear.
- During assembly, make sure that all parts are securely fastened to ensure stability and safety.
- The table is not suitable for outdoor use.
