Article Numbers: 138396, 138394, 138393, 138392

Safety Instructions:

- Ensure that the waste bin is stable to prevent it from tipping over.
- Do not climb over the rubbish bin or use it as a seat.
- Use suitable waste bags to dispose of waste in order to avoid damage and ensure proper functioning.
- Only use the product for its intended purpose (waste disposal) and avoid misuse.
- Children should not play on the pedalling mechanism to avoid injury.
- Product not suitable for children under 3 years of age as small parts could be swallowed.
- Caution with improper use: risk of injury due to crushing when closing the lid.
- Please follow the instructions for safe use and disposal of the product.
- Protect from direct sunlight and moisture to prevent material damage.
- Regularly check the pedalling mechanism for proper functioning to avoid injuries caused by malfunctions.
- Do not clean with harsh or aggressive chemicals to avoid damaging the surface coating.
- Do not allow to overheat, as the metal of the waste bin can deform under high heat.
- Keep the waste bin away from children to avoid possible injury from the pedal.
- Clean the waste bin regularly to ensure hygienic conditions and prevent odours.
- Take care not to overload the bin to prevent overflowing or damage.
