Safety Instructions:

- Avoid contact with sharp objects to protect the surfaces.
- Ensure that the waste bin is placed on a stable, level surface to prevent it from tipping over.
- Keep the waste bin out of the reach of children to prevent misuse and injury, especially from small parts.
- Only use the recommended waste bags with a volume of 20 litres to prevent damage to the waste bin.
- When disposing of waste, observe local regulations on waste separation.
- Not suitable for children under 3 years of age as small parts can be swallowed.
- Risk of injury from sharp edges or corners on the inner buckets.
- Please be careful when opening the lid to avoid injuring your fingers.
- Please only use the waste bin for the intended types of waste.
- Avoid overloading the waste bin as this can impair its functionality and cause damage.
- Clean the waste bin regularly to ensure hygiene and avoid unpleasant odours.
- In the event of a defect or damage to the waste bin, please contact the manufacturer for further instructions.
