Safety Instructions:

- Do not use near open flames and keep away from strong heat sources to avoid damage.
- When cleaning, ensure compatibility with disinfectants; test on a less visible area first.
- Only adjust the height in accordance with the manufacturer's instructions; ensure that no parts of the body are trapped and that all elements are securely locked in place.
- Check the adjusting screws regularly to ensure stability on uneven ground.
- Installation must be carried out in accordance with the instructions provided to ensure safe use.
- Do not use as a support or ladder to avoid falls.
- Ensure that the table is placed on a stable and level surface to prevent it from tipping over.
- The table is not suitable for outdoor use.
- Keep sharp or pointed objects away from the tabletop to prevent damage.
- Avoid placing excessive loads on the table top so as not to jeopardise stability and safety.
- The table is designed to be height-adjustable between 650 mm and 850 mm to ensure ergonomic use.
- The table top is fitted with 2 mm ABS edge protection to reduce injuries caused by sharp edges.
- Product is made of powder-coated steel, requires careful handling to avoid scratching or chipping.
- Keep small parts and accessories out of the reach of children to avoid safety risks.
