Article Numbers: 147244, 147243, 147242, 146192, 146191, 146190, 146172, 146171, 146170, 146162, 146161, 146160, 146152, 146151, 146150

Safety Instructions:

- Choking hazard due to small parts - Store small parts safely to avoid choking hazard for small children.
- Risk of electric shock due to improper use of the electrical connections - Ensure that no liquid penetrates and only use the table connection panel in accordance with the manufacturer's instructions.
- Avoid overloading the table to ensure stability and safety - Make sure that the table is stable.
- Safety warning: Check compatibility of disinfectants - Test disinfectants on a less visible area before use.
- Height adjustment of the table should only be carried out by adults - Ensure that there is no risk of injury.
- Regularly check the stability of the floor levelling screws, connections and screws to prevent wobbling or tipping over.
- The table should be placed on a stable, level surface to prevent it from tipping over.
- Avoid sharp edges or corners to prevent injuries - sharp edges must be observed and secured.
- Table is intended for indoor use - do not use it outdoors or in damp environments.
- Only use the table for its intended purpose to avoid excessive strain and damage.
- The use of small parts should be carefully supervised - The table and accessories are not suitable for children.
- Follow the safety instructions for correct installation and handling to prevent accidents and structural and material damage.
