Safety Instructions:

- Avoid using electrical connections near water or moisture to prevent electric shocks.
- Electrical connections and connection panels must be securely attached and correctly connected to prevent short circuits and overloads.
- Keep children and pets away from electrical connections to avoid injury.
- Observe maximum loads and do not exceed them to avoid tipping or breakage.
- The table must be placed on a stable, level surface to prevent it from tipping over.
- When adjusting the height, ensure a stable stance and free crushing areas to reduce injuries.
- Regularly check screws and connections for tightness to ensure stability.
- To protect the table surface, do not use abrasive or aggressive cleaning agents on the surfaces.
- Check the compatibility of disinfectants on an inconspicuous area before use.
- Avoid sitting, standing or overloading the table with heavy objects.
- Follow the instructions for use when assembling and using the table to ensure safety.
- This product is not suitable for children under the age of 12, in particular due to the risk of injury from sharp edges and electrical components.
- Table is designed for indoor use and should not be used outdoors.
