Article Numbers: 147258, 145267, 145265, 145264, 145263

Safety Instructions:

- Choking hazard due to small parts if handled incorrectly.
- Risk of falling due to slipping if the height is set incorrectly. Ensure correct adjustment to avoid injuries.
- Take care when using disinfectants - check compatibility beforehand.
- High level of safety guaranteed during normal use. Additional caution when used in the vicinity of children. Not suitable for children under 3 years of age due to small parts and sharp edges.
- Table height adjustable between 650 mm and 850 mm. Choose the right height for comfort and ergonomics.
- Ensure that the table is placed on a stable and level surface to avoid the risk of tipping.
- Apply 2 mm ABS edge banding to the edges to prevent injuries. Check edge protection.
- Avoid excessive pressure on the tabletop to prevent damage. Also avoid sharp or heavy objects.
- Only suitable for indoor use. Avoid using outdoors and in areas where other pieces of furniture could jeopardise stability.
- Only use the product up to the maximum specified load.
- Consider durability and stability with considerable weight.
- Ensure that the product is correctly installed to guarantee stability and safety.
- Keep the product out of the reach of children to avoid injury.
- Table top can be damaged by impact; careful handling required.
