Safety Instructions:

- Do not use the headset while driving or during other activities that require your full attention.
- Using the headset at too high a volume can cause hearing damage. Ensure that the volume is at an appropriate level.
- Keep the surface of the appliance clean and avoid liquids around the product to prevent damage.
- Only use the recommended components and chargers to avoid damage due to overheating or short circuits.
- Keep the product out of the reach of children to minimise the risk of improper use.
