Safety Instructions:

- Before assembly, ensure that the table top is suitable for mounting.
- The monitors must not exceed a weight of 9 kg.
- Make sure that the cables are laid in such a way that they do not become tripping hazards.
- Read the installation instructions carefully and follow the steps precisely.
- Check the gas springs regularly for proper functioning.
- Observe the maximum height adjustability and do not set above 500 mm.
- Observe the child safety lock to prevent children from playing with the product.
