Safety Instructions:

- Do not load more than 25 kg per drawer to avoid damage and injury.
- Ensure that the pedestal is stable to prevent it from tipping over.
- Keep children away from drawers to avoid injuries and the risk of suffocation.
- Use the lock correctly and only operate it with the key provided to prevent damage and ensure the security of the documents.
- Protect floor coverings from scratches when furniture is moved.
- Watch out for sharp edges during assembly or use to avoid injury.
- Adjust the adjustable floor glides securely and check them regularly to ensure stability.
- Ensure that all drawers are fully inserted to avoid crushing.
- Before use, ensure that all parts are properly assembled and in good condition.
- Ensure that the product is standing on a stable, level surface.
- Keep key systems safe and only grant access to authorised persons.
