Safety Instructions:

- Avoid improper use of the container and drawers to prevent injury or damage.
- Keep the container away from naked flames and heat sources to minimise the risk of fire.
- Secure heavy objects in the drawers; avoid overloading (max. 25 kg per drawer) to prevent tipping.
- The product is only intended for use in dry indoor areas.
- Make sure that the container is placed on a stable and level surface to prevent it from tipping over.
- Keep the container and drawers away from children to avoid injury.
- Avoid using sharp objects and aggressive cleaning agents to open or clean the drawers.
- Check the function of the lock regularly and keep the key out of the reach of children to prevent unauthorised access.
- Securely adjust the height-adjustable floor glides to ensure stability on uneven surfaces.
- Avoid placing heavy objects on the cover plate to prevent deformation or breakage.
- Store keys securely to prevent unauthorised access.
