### Safety Instructions:

- Risk of suffocation and injury due to improper handling or overloading of heavy-duty drawers.
- Castors can become loose or jammed if handled incorrectly.
- Before use, ensure that the mobile container is standing on a stable surface to prevent it from tipping over.
- Regularly check that the central locking devices are functioning properly.
- Only use the mobile container within the specified load capacities to avoid safety risks.
- Do not use damaged drawers or castors to avoid the risk of falling or injury.
- Children should not use the wheelie bin as play equipment.
- The maximum permissible load on the drawers must not be exceeded.
- When using with ESD protection, specific instructions must be observed.
