## Projahn phase tester, for 110-230 V, 3 x 60 mm

**Manufacturer/Responsible Person:** Projahn Präzisionswerkzeuge GmbH, Gottlieb-Daimler-Straße 5, 63128 Dietzenbach, Deutschland

**E-Mail:** info@projahn.de

Please note the technical data of the products!

**Article Number:** 155889

### Safety Instructions:

- This phase tester is an electrical measuring device. There is a risk of electric shock if used incorrectly.
- Never touch the metal tip when the power is switched on.
- Before use, ensure that the power supply is switched off to minimise the risk of electric shock.
- The product must not be used by children as it comes into contact with electrical voltages.
