Safety Instructions:

- Ensure that the rotating screen is set up stably to prevent it from tipping over.
- The fabric cover and the screen should not come into contact with sharp objects or chemicals in order to avoid damage.
- The heavy partition wall can cause crushing hazards. Avoid such hazards when setting up.
- The sound-absorbing properties of the movable wall can be impaired if it is not installed correctly.
- The movable wall is hardly flammable; it is therefore important to take care when handling open flames.
- The partition wall is not suitable for outdoor use; only use indoors.
- In the event of heavy use, regularly inspect the stability and sealing of all connections.
