Article Numbers: 45136, 45135, 45134, 106152

Safety Instructions:

- Ensure that the mobile pedestal is placed on a level surface to prevent it from tipping over or falling.
- Take care not to overload or overload the roller container in order to avoid tipping, damage or deterioration.
- To avoid injury, do not store any heavy or dangerous objects in the drawers.
- Keep the mobile container away from moisture and extreme temperature fluctuations to prevent material damage.
- Regularly check the castors and locking system for damage and functionality before use to ensure safety.
- The wheelie bin should be kept away from children to avoid injuries or the risk of choking on small parts.
- Avoid contact with water to prevent damage to the melamine resin coating.
- Only use the cylinder lock with the keys provided to prevent damage and unauthorised access.
- When using locks, ensure that they function properly.
- Provide security-related information for end users.
