Safety Instructions:

- Do not place heavy objects on the top shelves and do not overload the cupboard to prevent it from tipping over.
- The cabinet should be placed on a stable and level surface and fixed to the wall to ensure stability.
- Use a suitable location for installation and follow the installation instructions carefully.
- Small parts and accessories should be kept away from children to avoid the risk of choking.
- Place the cabinet out of the reach of children and supervise its use to avoid injury.
- Keep the filing cabinet away from moisture and direct heat to prevent material damage.
- Regularly check the tightness of screws and parts to ensure safe use.
- Pay attention to the weight when lifting and carrying the cabinet to avoid injury.
- Use protective gloves during assembly and in the vicinity of sharp edges.
- Keep the cabinet doors closed when the cabinet is not in use and be careful when adjusting the shelves.
