### **Safety Instructions:**

- Observe the maximum load (6 kg) to ensure stability.
- Position the monitor in a safe area to prevent it from tipping over.
- Ensure that cable management is carried out correctly to avoid tripping hazards.
- The workstation should not be used on uneven surfaces to minimise the risk of tipping over.
- Avoid use with monitors larger than 27" to ensure safety and stability.
- Ensure that all brackets are firmly tightened to prevent the appliances from falling out.
