Safety Instructions:

- Ensure that the mobile pedestal is only used on level and stable surfaces to prevent it from tipping over.
- The drawers should only ever be opened individually to ensure stability.
- Use the alternating drawer pull-out stop to prevent injuries caused by opening several drawers at the same time.
- Use the central locking system to prevent unauthorised access; check its function regularly.
- Not suitable for children under 3 years of age as small parts may pose a choking hazard.
- Avoid overloading the drawers to prevent damage and instability.
- Use only under adult supervision when children are present.
- Keep the mobile pedestal away from heat sources and moisture to prevent material damage.
- Sanitise the mobile container before use to ensure safe use.
- All screw connections and castors should be checked for strength and function before use.
- Only clean the melamine resin coating with slightly damp cloths.
