Safety Instructions:

- Caution: The appliance is suitable for extracting slightly hazardous dusts. Only use the appliance in accordance with the instructions.
- Protect your eyes and airways during operation. Use suitable personal protective equipment.
- Avoid contact with water or other liquids to prevent electric shocks, as the appliance has electrically conductive parts.
- Ensure that the container is properly mounted before operation to avoid sudden opening, which could lead to accidents.
- Setting the automatic switch-off when the maximum fill level is reached is essential to prevent overflow and possible damage.
