Please note the technical data of the products!

Article Number: 174705

Safety Instructions:

- Do not print pages on wet or damp materials as this may affect the print quality.
- Make sure that the cartridge is always inserted correctly to avoid printing problems.
- Take care when handling new toner cartridges: Prolonged contact with the skin should be avoided.
- Do not inhale toner dust. Store the cartridges in a cool, dry place, away from direct sunlight.
- Ensure that the pressurised appliance is not covered during operation to prevent overheating.
