Safety Instructions:

- Be aware of the risk of injury due to improper handling of the grip pliers; use the pliers only for their intended purpose and only in dry environments to minimise the risk of corrosion.
- Observe safety instructions for the use of sharp edges and teeth; wear suitable protective equipment and ensure correct handling and maintenance.
- Keep children away from using the pliers and store them out of their reach to avoid injury.
- Store the product safely after use and do not use it if it is defective or damaged; check for damage before use.
- Caution: Observe safety warnings and follow all manufacturer's instructions. Do not remove or bypass protective devices.
