Safety Instructions:

- Small parts may pose a choking hazard. Not suitable for children under 3 years of age.
- Please follow the instructions for self-assembly to avoid the risk of injury. Assembly should be carried out in accordance with the enclosed instructions in order to guarantee stability and ensure safe use.
- Take care to protect the product from naked flames and extreme temperatures. The product should not be used near open flames or heat sources. Take care when using the product near heat sources to avoid damaging the polyester cover.
- The product is not suitable for use by children without supervision. Teach children not to use the chair as a climbing aid.
- Only use the product for its intended purpose. The armchair is intended for sitting.
- Make sure that the chair is placed on a stable and level surface to prevent it from tipping over.
- Avoid pressing too hard on the armrests as this can affect the stability of the chair.
- Keep sharp objects away from the upholstery to prevent damage.
- The chair should be protected from moisture in order to preserve the wood structure and upholstery. Avoid excessive moisture as this could damage the materials.
- Suitable care products must be used to clean the cover in order to prevent material damage.
- Regularly check the stability and fastenings of the product.
