Safety Instructions:

- The product should not be used as a toy to avoid accidents.
- Protection against tripping hazards due to insufficient stability. Ensure that the product is stable and fall-proof to prevent injuries from tipping over. Only use the product on stable surfaces to prevent it from tipping over.
- Regular inspections and maintenance are recommended to detect wear, material integrity and damage. If defects or damage to the material occur, please contact the manufacturer.
- Use in crowded areas can lead to injuries. Ensure that the stool does not tip over if it is used by several people at the same time.
- Use suitable materials that do not contain toxic substances to minimise health risks.
- Include clear instructions for safer use and care of the product in a language understandable to the target group.
- Keep the product away from sharp or hot objects to avoid the risk of fire or cuts. Ensure that the product is not used in the vicinity of fire or high temperatures. Keep the stool away from naked flames and hot objects.
- Read the installation instructions before use.
- This stool is suitable for adults and older children, but should be used by children under supervision. The stool is not suitable for children under 3 years of age as there is a choking hazard from small parts.
- The stool may wobble when used on uneven ground. Avoid using the stool on uneven or slippery surfaces.
- Check the plastic glides and clean them regularly to prevent damage to the floor.
