Safety Instructions:

- Ensure that the desk top is mounted correctly to avoid the risk of tipping and carry out the assembly steps in accordance with the enclosed instructions.
- Only use the product in dry environments to prevent mould formation due to moisture.
- Beware of sharp objects and excessive heat to avoid damaging the surface and do not overheat or expose the product to direct sunlight to avoid material changes.
- The product is not suitable as a toy for children and should not be placed near small children.
- The product may only be used for its intended purpose.
- When using on height-adjustable tables, ensure that the attachment is stable and securely mounted.
- Take care when handling recycled materials; the exact ingredients should be noted.
