Safety Instructions:

- Take care when using drawer inserts to avoid injury from trapping and ensure that they are inserted into suitable drawers to ensure stability and safety.
- Note that the drawer insert can be heavy; appropriate techniques should be used when lifting to avoid back injuries.
- The product is not suitable for children and should be kept out of their reach.
- Avoid contact with sharp objects and watch out for sharp edges to prevent damage and injury.
- The product should not be used in humid environments and should be protected from moisture to prevent corrosion.
- Follow the installation instructions carefully to ensure safe use.
- When disposing of the product, local regulations for electronic waste should be observed.
- Protect from direct sunlight.
- Do not clean with chemical cleaning agents.
