Safety Instructions:

- Ensure that the drawer insert is properly inserted into the drawer blocks provided to ensure stability and safety.
- Protect against overloading the lower dividers and centre plates to prevent structural damage and possible injury.
- When fitting or removing the drawer insert, make sure that no sharp edges or moving parts are left unprotected to avoid injury.
- Dispose of the product in accordance with local regulations for metal waste at the end of its service life.
- Caution: Drawer insert may contain sharp edges, so handle with care.
- Only intended for use in drawers, not for direct contact with food.
- Follow the installation instructions carefully to avoid injury.
- Warning: Keep out of reach of children to prevent accidental ingestion. Not suitable for children under 3 years of age - choking hazard due to small parts.
- Only use the drawer insert in accordance with the instructions - improper use can lead to safety risks.
