Safety Instructions:

- Removing the special foil badge causes it to break into small individual pieces, thus increasing security against tampering.
- The badges are resistant to water, oil and various cleaning agents, which should ensure their durability under different conditions.
- The stickers are self-adhesive and should be used safely and in accordance with the instructions to prevent detachment or slippage.
- The use of the stickers is required by law for the maintenance and inspection of electrical equipment.
- Instructions for safe handling and affixing must be included with the stickers to prevent misuse.
