Safety Instructions:

- Keep the loose-leaf binder away from fire and extreme temperatures.
- Do not use near water or damp places to avoid material degradation and malfunctions.
- Small parts can pose a choking hazard, especially for children under 3 years of age.
- Not suitable for children under 3 years - choking hazard due to small parts.
- Avoid overloading the loose-leaf binder or using it beyond its maximum capacity.
- Semi-transparent material can lead to discolouration in direct sunlight.
- There is a risk of the loose-leaf binder tearing or breaking if handled incorrectly.
- Safety information and instructions should be provided in an understandable language.
- Inform the manufacturer immediately of any potential hazards.
- Do not use open fire sources near the product.
- Caution: Sharp edges possible - please use with care.
- The product does not contain any toxic substances, but should not come into contact with food.
- Please remove all packaging and parts before use.
