Safety Instructions:

- Do not throw into the fire.
- Keep the product away from moisture to prevent material damage.
- Avoid use in an environment with extreme temperatures in order not to impair material integrity.
- The box/collection box should always be closed and checked regularly for cracks or damage to prevent contents from straying and to ensure safety.
- Not suitable for children under 3 years of age, as small parts can be swallowed or broken off through improper use.
- Do not store the product near heat sources or in direct sunlight to avoid deformation of the material.
- Use of the product is at your own risk, especially in the event of improper handling.
- Avoid using the device in direct sunlight to prevent overheating.
- Use the product in accordance with the instructions provided to avoid injury.
- Make sure that the collection box is kept out of the reach of small children to avoid the risk of choking on small parts.
