Safety Instructions:

- Put on the protective cap before use or always keep the rollerball pen closed to prevent the tip from drying out.
- Do not use the product for children under 3 years of age as it may contain small parts that can be swallowed. Not suitable for children under 36 months due to the risk of choking on small parts or caps.
- Avoid skin contact with the ink to prevent allergic reactions; in case of contact, rinse thoroughly with water.
- Do not use the product near open flames or extremely high temperatures.
- In case of eye contact with the ink, rinse immediately with plenty of water and consult a doctor if necessary.
- Read the instructions carefully before using the product. Include instructions for the safe disposal of the product.
- Make sure that the ink is not swallowed.
- Use only in well ventilated areas to avoid irritation from vapours.
- Please keep away from children to avoid the risk of choking on small parts.
- Do not get in eyes or mouth as it may contain toxic components.
