Safety Instructions:

- Before use, check that the stool is stable and check its condition to ensure that it is not damaged.
- Ensure that the stool is used on a stable, level surface to prevent it from tipping over or wobbling.
- Not suitable for children under 3 years due to possible choking hazard from small parts.
- Use by children only recommended under adult supervision.
- Regular inspection for damage or wear, including loose parts, to ensure safety.
- Do not climb or stand on the stool to avoid injuries from falling.
- Be aware of the risk of slipping when using on smooth floors; use non-slip surfaces if necessary.
- When using on carpeted floors, ensure that the stool is easy to move to avoid injury.
- Black plastic glides can scratch the floor; regular inspection and replacement necessary.
- Do not store stools in damp rooms and keep the surface dry to prevent mould and the risk of slipping.
- Clean the cover according to the care instructions to prevent damage to the material.
- Keep the stool out of the reach of children to prevent unintentional use.
- Several people should not use the stool at the same time to prevent it from tipping over.
