Safety Instructions:

- Only use the product for its intended purpose.
- Check for damage before use.
- Ensure that the turning mechanism works safely and is regularly checked for proper functioning.
- Use only by persons with a body weight that does not exceed the maximum load of the seating system.
- Use by children should be under adult supervision, as there could be a choking hazard due to small parts. Not suitable for children under 3 years of age.
- Follow the care instructions for the cover, which must not be dry-cleaned. Wipe with a damp cloth if soiled.
- Ensure that all connecting elements are properly installed.
- Risk of slipping on smooth floors due to insufficient adhesion of the plastic glides.
- Do not use on sharp, hot or damp surfaces.
- Regularly check the stability of the modules and the entire structure.
- Avoid overloading the seating system.
- Make sure that the products are correctly inserted into each other to ensure stability and prevent them from tipping over.
- The virgin wool cover should be fire-retardant in accordance with fire standard EN 1021-1-2.
