Safety Instructions:

- Not suitable for children. Supervision recommended to minimise the risk of injury.
- Small parts could pose a choking hazard, especially for children under 3 years of age.
- Container supplied without lid. Order lid separately to avoid the risk of falling or injury.
- Check edges and surfaces for sharpness to avoid injury.
- Carefully carry out self-assembly and handling in accordance with the instructions to ensure stability and safety.
- Do not overload. Use the container safely when assembled.
- Only for use with designated inner buckets. Avoid overfilling to prevent tipping.
- During assembly, make sure that all parts are present and assemble securely to ensure stability.
- Impact-resistant polystyrene: do not use sharp objects to avoid damage.
- Dispose of recyclable materials according to the pictograms and dispose of the product in accordance with local regulations.
- Do not use to pick up hazardous or corrosive substances.
- Keep the collection system away from small children to avoid accidents with small parts or sharp edges.
- The product is only to be used for its intended purpose. Keep it dry and clean it regularly.
